

November Newsletter

Preschool Room 2: Miss Sherri and Miss Jess

103

Thanksgiving Greetings! The children will continue working on writing their names, counting as well as cutting and gluing. We'll also talk about hibernation and being thankful.

We are looking forward to seeing you at parent/ teacher conferences this month. The conferences should only take about 20 minutes. ☺ If you haven't confirmed your scheduled time with us, please let us know (if the day/ time doesn't work for you, please let us know that too and we'll try to reschedule! ☺).

As the cold weather settles in, please be sure your child comes to school with a warm coat and hat, even gloves, if you can. If the "feels like" temp is 25 degrees or more, we take the children to the playground. They love to play outside and it's very healthy for them. ☺

Just a few reminders:

- ✓ Please don't let the children bring candy or toys from home. We don't want anything broken or lost.
- ✓ Please send your child's folder and backpack each day.
- ✓ School is closed Wednesday, November 22-Friday, November 24 for Thanksgiving Break.

Thank you for all you do! ☺ If you have any questions or concerns, please let us know!

Sincerely,

Miss Sherri and Miss Jess
