

Jefferson Head Start November News

(574) 822-5242

Elkhart & St. Joseph Counties Head Start Consortium

November 30, 2017

IMPORTANT INFORMATION

Classroom Number: (574) 822-5242
FACS – Ms. Colleen : (574) 312-5620
Bus: Ms. Jennifer (574) 304-3754

•As the weather gets colder, please make sure your student is dressed appropriately with hats, and gloves as needed. We do not have any extras here, but we do go outside twice each day and want to make sure each student is comfortable.

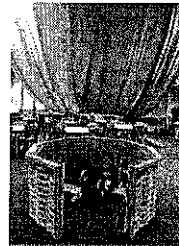

•If your student is sick, they must be fever and vomit free 24 hours before they can return to school. Please help us minimize the spread of sickness by keeping this guideline in mind. Call or text to let us know if your student will not be in class that day.

• Jefferson Head Start follows Middlebury Community Schools delays and cancellations.

•December 25 –
January 8: No School,
Christmas Break

What We've Been Up To

(Enjoying the library's
"hot air balloon")

This month came with some changes to our classroom including the arrival of the last of our toys, and a change in FACS people. We are currently working with Ms. Colleen until a permanent replacement for Ms. Rebecca can be found. Any questions that would have been directed to Ms. Rebecca can now be directed to Ms. Colleen at (574) 312-5620.

We would like to thank everyone for meeting with us before the holiday break in order to complete our first Parent/Teacher conference. We have enjoyed getting to know your students and watching them grow.

This month we had fun talking about Thanksgiving, celebrating the end of fall, and welcoming winter! We are looking forward to holiday celebrations this coming month, including decorating our classroom tree, and the school Christmas program.

- November 3: No school for staff training
- November 10: Family Summit in Goshen
- November 22-24: Thanksgiving Break

What We've Been Up To

(Dinosaur Excavation)

In the month of October we focused on letters E, F, G, and H. We continued to study math, science, writing, and art through activities that began with these letters.

Some activities we enjoyed were using our senses to draw things that we could hear but not see, making a leaf collage and fall tree using the shape of our hands, using the letter F to make our own

feathered friend, and making monsters out of various cut out shapes.

One other exciting opportunity we had in the month of October was the beginning of our twice monthly visits to the school library. During the first week of the month the students visit to hear a story from the librarian. During the third week of the month the students check out books that we keep here in the classroom and have a chance to read throughout the day.
