

December

Jimtown 138 Elkhart and St. Joseph County Headstart Consortium

Office Phone Number: 574-575-4676

Baugo Transportation: 574-293-8583

Please send in a warm change of cloths for your child, we are having some potty accidents. Please make sure that each child has a warm coat for school, as well as hat and gloves. We go outside everyday (weather permitting).

Dates to remember for the month of December.....

December 1st - First Friday. There is no school.

December 7th - Picture Retake Day.

December 15th - Holiday Show.

December 25th - January 7th is winter break. There is no school for children. We return on January the 8th.

We have made it through the first quarter. We enjoyed meeting with all the parents during parent teacher conferences. During November we have studied our letters, read many stories, created beautiful art work and learned new songs in english and spanish. Every morning we count our boys and girls in the class and discuss the days of the week.

Thank you to all who have sent in their In-Kinds. Please continue to send your In-Kinds so that we may continue to receive funding.

October

Jimtown 138 Elkhart and St. Joseph County Headstart Consortium

Office Phone Number- 574-575-4676

Baugo Transportation- 574-293-8583

It is now officially fall and the weather is getting cooler. Please send your child to school with a jacket and closed toe shoes. We go outside everyday (weather permitting). We have had some potty accidents in the classroom, so please send your child to school with a change of cloths that they can keep here.

Please send in a copy of a family picture, so that we can start our family tree in the classroom. We hope they have shared the many things we have done in the classroom. We have been very busy working on our letters, numbers, shapes and colors. We explored seeds by reading books, examining zucchini seed and started our very own bean plants. We have talked about how important healthy food is for our bodies, so we can grow. We painted with bubbles (which was a huge hit) and have read many fun books. In October we will be exploring pumpkins inside and out. We have a small box of lost and found stuff. Please let me know if your child is missing anything.

Miss Kayla

I'm very excited to work with your children this year. I have worked in the preschool classroom for several years and studied Elementary Education at Indiana Wesleyan University. I live in Mishawaka and have a wonderful 4-year-old son whom is full of energy. Working with children is my passion and I am very grateful for the opportunity to shape and mold the minds of our future generations.

Please continue to send in your In-Kinds, so we can continue to receive our funding.

October 6th and 20th is no school.
