Elkhart & St. Joseph

Thank you to each and every parent that came and participated at the Fall Festival last week! The children looked awesome in their Halloween costumes. Also, thanks to the parents that brought in treats for the children.

For the month of November we will be focusing on health & nutrition, the different seasons, and of course still colors, numbers and the alphabets. We can't stress enough how important it is to work on these things at home. The children will get a better understanding if its practiced at home and at school.

Reminders:

- Call if your child will be late or absent.
- Please bring in an extra pair of clothes for your child's cubby
- Dress children appropriately for the cold weather
