Room 7 has been busy this fall semester and it is hard to believe it is almost over! Please make sure to check the backpacks daily for the fall artwork we have been sending home. The children are proud of their hard work!

Reminders:

- Make sure to call the room phone if your child will be absent. 574-283-8176.
- We will be sending home, homework each week in their homework folders.
- Children that do not ride the bus will now be picked up and dropped off in room 3 with the Facs.

Remember we will not have school, Friday December 1st due to first Friday training. Winter Break starts December 25th and runs through January 5th.

We are asking parents to make sure to check your child's pockets and backpacks before they leave for school because we do not allow them to bring candy, lipgloss, etc. We are also asking that they leave their toys at home. It is becoming a distraction to everyone and some have lost their toys so we do not want to happen. Thank you so much for being understanding!

Remember bring a backpack to school as well as to pack an extra change (pants, underwear, and shirt) of clothes for your child in case of milk spill, potty accident etc.
