“This institution is an equal opportunity provider.”

What's Been Happening In our Room!

We have been continuing to work on our letter and number IDs this month. We also have been writing our names daily, counting one to one correspondences, and creative arts. Practicing these things at home will help reinforce what they are seeing and doing here at school! The children have been more interested in books the past few weeks as well. Thank you to the families who've ordered books, this has helped our class receive 10 free books last month! We love seeing them engaging with books and their peers.

* Please continue to send in the in-kind forms and work on homework with your child it really does make a difference ☺

A Note From Ms. Patience

If your child is unable to attend school please call us before 9:30AM!

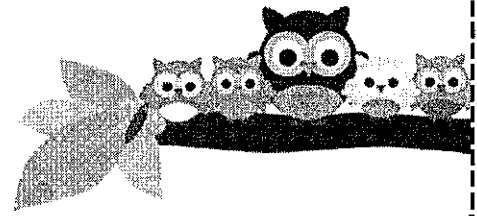

*Contact information should be updated when a changed is made. Thank you.

“This institution is an equal opportunity provider.”

What's Been Happening in our Room!

We have been working hard at learning the letters in our names this month. By practicing the sounds with each letter the children are able to think of other words that begin with the same letter. This shows us they are making a connection with the sound and memory each letter. We also have spent time talking about the days of the week, the seasons, counting and sorting objects and making patterns. We have many hard workers in our classroom!

Please continue to send in the in-kind forms and work on homework with your child it really does make a difference ☺

***We tried to accommodate the best we could with the needs of our Classroom scheduling the upcoming parent teacher conferences, if the time we send home doesn't work for you please let us know ASAP.

A Note From Ms. Patience

If your child is unable to attend school please call us before 9:30AM!

*Contact information should be updated when a changed is made. Thank you.
