The month of November flew by! Miss Nohemi and I really enjoyed meeting with each of you and your families for parent teacher conferences. It is great to be able to see the kids' grown-ups and siblings, and also see how they interact with their families!

We have been busy using shaving cream to practice writing, singing and dancing like turkeys, reading Thanksgiving books, lots of art projects, and most of all we had many conversations about what we were thankful for!

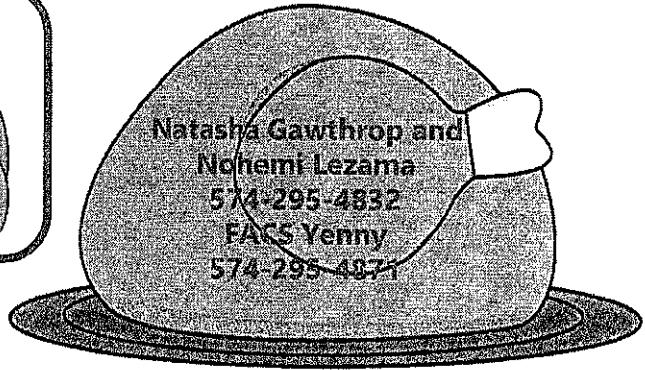

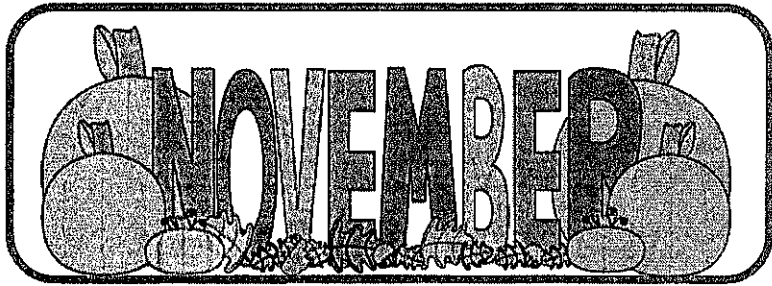

Other Reminders

Please send children with warm winter clothes to wear for recess. We do go outside and play in the snow ☺

The following supplies are needed in our classroom:

- Pictures from home to hang on family board
- Papertowel/toilet paper rolls

The month of October went by so fast! Our class enjoyed all of the warm weather! We were able to do pumpkin related crafts, we painted real pumpkins, made ghosts, and enjoyed many fall and Halloween books. In November we are excited to talk about turkeys and the Thanksgiving story. The kids will love the fall related crafts we have planned!

Parent teacher conferences will be held this month. Please fill out the best time that will work for you on the attached form and return it to school with your child. We will contact you if there are any conflicts. Provide the most recent number on the form. I will send reminders home with your child.

Connections Corner

Weather permitting we will be going outside even if it is snowing. Please make sure that your child has a coat, hat, gloves, and boots if needed.

Extra clothes to keep at school will help with accidents or wetness from the weather.

Please...CHECK BAGS EVERY DAY!!!! Important papers are sent home in backpacks sometimes daily.

We love to share our family pictures with our school family! Please send in any extra you may have to display on our board. We will return them at the end of the school year.
