## Dec 2017

### From Your Child's Teacher

Christmas is just around the corner ! This school year is moving so quickly. We are working very hard on our social skills and being kind to one another. The children have grown leaps and bounds in this area. Daily we work on their writing skills at sign in time. At this time the children write at that their own level and then tell us the letters in their name. We are also working on shapes and how you can change a shape by adding another shape.

We brought in a small tree for the children to decorate anyway they choose. If you would like to contribute we are in need of unbreakable small ornaments and garland. The children will also be wrapping blocks and pretending to deliver presents , This helps them in their fine motor skill which also helps them in writing skills.

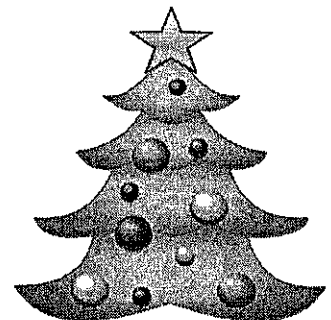

### At Home

*Talk about your family and you're Family's Christmas Traditions. Share Family stories about the things your family did when you were a child. Talk to your child about the Spirit of Giving to others and teach them simple ways they can help others or do kind things for other family members.*

### Important Dates

Dec 14<sup>th</sup>. Love and Logic  
Mary Beck 5:00 PM

Winter Recess  
NO SCHOOL

## From Your Child's Teacher

It's hard to believe that The Thanksgiving Holiday is upon us! This month we will be doing Parent Teacher Conferences to share with you your child's progress. The children are growing and learning so much. It always amazes me how much they learn in such a short time. They are learning rhyming, alliteration and how to form letters. The children have formed many friendships and truly feel part of our Head Start family. The children are learning how to use their words and how to express their feelings in appropriate ways. They are also learning about their own personal space and spatial awareness, which is important when having several children in a specific space. We have taught the children to put an invisible bubble around their bodies and move only within that bubble to keep all of the children safe.

## At Home

*Talk about your family and you're Family's Thanksgiving Traditions. Share Family stories about the things your family did when you were a child. Talk about All of the things we all have to be Thankful for.*

## Important Dates

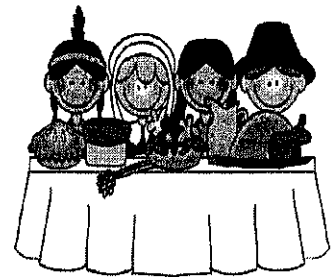

Parent Teacher conferences

11/13 - 11/21
