Dear Parents: It is hard to believe we are already three months into the school year. We are enjoying having your child/ren in our classroom. We are continuing to work on having self-control. Please make sure you are working with your child at home completing homework and sending in the In Kind forms. This is very important so we can continue serving children. The children are enjoying Music Together with Ms. Jenny, keep listening to the CDs that were sent home so they can learn the words. The children will be bringing home a schedule time for parent/teacher conferences please send it back and if you need to reschedule call the classroom.
