

It was so good to sit down with all of you and discuss all the great things that your child has been up to at school. Please remember, you are your child's first teacher!!! We need to be on the same page for your child to be successful at school.

Please remember to take the time to work with your child at home. Taking turns and sharing is something we are working hard on. At home, play games, do puzzles or read with your child to help build these skills. We will continue to send home homework to build these skills.

In-Kind Please remember in-kind hours **fund** our classroom. Being a government funded program, we need these volunteer hours from you!! YOU ARE ALREADY DOING IT!!! Please fill out the form and return them. They come home in the Homework packets that are head start generated and teacher generated. There were a few weeks we did not send them home, and we apologize, but we should be back on schedule 😊

PARENT TEACHER CONFERENCE INFORMATION

This year, children will NOT be missing school days for conferences. We will be having conferences before and after school from November 13 through November 21. Monday, November 20th we will have evening conferences until 7pm. Friday, November 17 is the only morning we will not have conferences. **Please fill out the attached form, and return it as soon as possible, for the best day and time that works for your schedule.** We will try our best to accommodate everyone's request. Each conference will take about 20 to 30 minutes. We look forward to seeing all of you to discuss all the hard work you child has been doing so far this year!

Congratulations to Kaleigh, "Jae's mom" from next door, for being elected our Policy Council representative for our site. We are excited that our site has its own representative. In the past, it was one representative for all of Elkhart Community Schools.
