It's that special time of year-
December! All month long we
will talk about customs,
traditions, and celebrations from
around the world. We are going
to assign each child a custom,
tradition or celebration to
research with their families and
let's see how interesting this can
get?

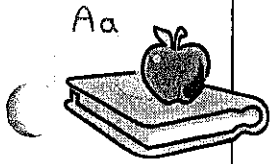

During the winter break we
want you to enjoy yourself,
but we also want the children
to continue to learn, so we
are sending home some
family activities that can be
done inside or outside -Enjoy!

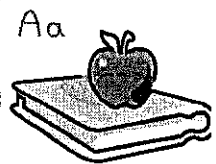

Snowflakes come in different shapes and sizes just like our children. We treat each child with respect, and love embracing their own individual needs and wants. Thank you for an opportunity to serve your family this year!

This has been an exciting first half of the year and I am so grateful for Ms. CC and all her support along with the parents and children. Let's have a refreshing break, and we will see you in the New Year!

Ms. Rebekah and Ms. CC
