News:

We mixed different colors of water together to make new colors. We tossed a bean bag in a basket and counted how many we made in and how many were out. We continue to practice cutting and gluing. We used straws and connectors to make letters and made shapes with play dough. We practiced writing our name on a dry erase board. We continue to add items to our word wall.

Favorite Book

Our favorite books are No Slurping, No Burping and Good Night Gorilla. Ask your child what happened.

Food / Nutrition

We have talked about different types of fruits and vegetables and what color they are. We exercised to the music moving in many different ways.

If you are looking for activities to do over the break. Visit the public library. Both Wakarusa and Nappanee have programs for preschoolers all year long.
