- Referrals to other Indiana health, family, and social services.

How does WIC work?

Contact the WIC clinic in your community for a free visit to be enrolled and pick up benefits. Clinic information may be found at <http://www.in.gov/isdh/20424.htm>. At your first appointment, your family will be eligible for all of the helpful services that WIC provides.

WIC benefits may be used at stores in your community to purchase fresh and frozen fruits and vegetables, baby food, milk, cereal, yogurt, juice, eggs, cheese, peanut butter, beans, tofu, whole wheat bread, brown rice, whole wheat tortillas, corn tortillas, and baby formula.
