Parent Engagement

During home visit we gave each of you a piece of construction paper. If you could finish putting family pictures together and return it that would be great!

Social/Emotional Tips

Read bedtime stories. There is something magical about this end-of-the-day routine that makes it the ideal time for talking about feelings. Discuss the characters and events in the story. Invite your child to share her thoughts and feelings by asking questions: "What do you think he should do? How do you think she feels? What would you do if you were this character?"
