**Monthly News and Updates**

**Parent Engagement**

*We are off to a great start. First, I would like to take the time to thank each of you for meeting with us during the home visits and adjusting to the new way of things with COVID. We have begun our virtual work and things are looking great. If you are still having trouble with logging on, audio, video or anything please let us know right away so we can try and get that fixed. We have also created some homework activities to send home soon so we can get those In-Kind forms completed and help our children continue to learn. If you would like to make arrangements to get those packets please let us know so that we can get them to you. Also, if there is paperwork that needs to be submitted, we can arrange for that as well (Physical, dental, vision, shot records). I can't wait for us to get back to in-person learning so that you all can explore the classroom.*

*Thank you for all your hard work this far,*
