• We go outside twice every day as long as the wind chill is above 25 degrees. Please be sure your student is dressed appropriately for the weather as it starts to get colder.

• Students must be fever and vomit free 72 hours before they can return to school after an illness. Please help us minimize the spread of sickness by keeping this guideline in mind. Call or text to let us know if your student will not be in class that day.

• Jefferson Head Start follows Middlebury Community Schools delays and cancellations. In the event of a delay, we will start two hours later than normal.

- November 6: Staff Training cancelled, children in school
- November 25 – 29: No School, Thanksgiving Break

What We've Been Up To

October is a great time for pumpkin exploration! We had a lot of fun exploring both small and large pumpkins with rubber bands, water, paint, rolling, measuring, and finally carving them! We are reading books about fall and monsters, and excited for what November will bring!

Please remember as the weather turns cold we will still go

outside twice each day as long as the wind chill is above 25 degrees. We have been starting to provide coats or extra sweatshirts to children that need extra layers, however, due to COVID, items can no longer be shared like we were once able to. We would really appreciate if could start sending winter coats and gloves. If your child won't wear them, feel free to pack them in their backpack and we will make sure they get them on before we go outside!
