This month we are talking about the animals and how they handle the changing of seasons. Where do they go? What do they eat? How do they stay warm? Take some time and talk about how animals adapt in our changing environment

Social/Emotional Tips

In class each day we do an "We wish you well" song that encourages the children to think about who isn't here that day and to "wish them well" to see them another day, try this at home with your child, you will be amazed how thoughtful they are
