Monthly News and Updates

We are looking forwards to a fun and exciting month of November! Throughout the month of November, our theme will focus on gratitude with Thanksgiving approaching. The children will learn what it means to be thankful. We will celebrate our families, friends, and healthy bodies.

We will be focusing on learning about the letters, "Ii", "Ff", and "Gg". We encourage you to reinforce these concepts at home; as it will help your child pick up on all that we are learning.

Social/Emotional Tips

Keeping Yourself Safe

You might talk with the children about the reasons people wear seat belts or use car safety seats: Why it is important to hold a grownup's hand while crossing the street: Staying in the yard while they're playing: This might lead to a conversation about why you have to know where they are and what they are doing.
