ADULT EDUCATION
STRENGTHENING
COMMUNITY by **INSPIRING**
LIFELONG LEARNING and
CAREER ADVANCEMENT

Adult Education (AD ED) classes are offered free of charge as part of Indiana's investment and commitment to all Hoosier adults, graduates and non-graduates alike. AD ED prepares ALL participants to meet their individual educational, employment and career goals:

- Prepare those who need to achieve their HSE, High School Equivalency (previously the GED)
- Strengthen basic skills for various educational and workforce test/assessments and industry certifications
- Focus on the core subject areas of math, reading, writing, science and social studies
- Integrate basic technology skills needed in today's business and post-secondary education environments
- Develop employment and post-secondary transition skills and career pathways for all

High School Equivalency Testing

AD ED is the designated provider of the HSET® test for HSE in St. Joseph County. Testing is offered regularly on specific days and evenings at our Bendix location. Appointments are required. Cost of the complete HSE Test is \$115. Scholarships for the HSET® test may be available.

The High School Equivalency Test (HSET®) is Indiana's high school equivalency exam.

Adult Education Eligibility

AD ED is open to Indiana residents age 16 years* or older who are not currently enrolled in a K-12 school.

AD ED serves all of St. Joseph County, offering classes free of charge at convenient times and locations.

* 16- and 17-year-olds must meet specific requirements.

Specialized Classes

Family Literacy

Parents and their children (6 months to pre-K) participate in this unique combination of AD ED classes and early childhood development activities.

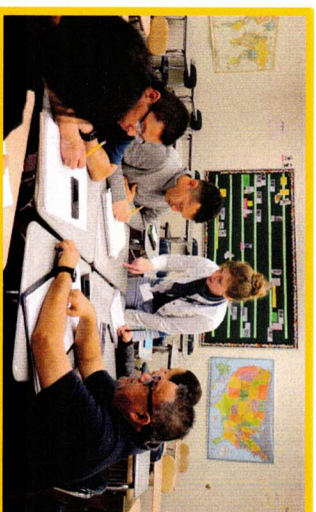

Adult Literacy

While focusing on foundational skills, students in the initial stages of literacy work one-on-one with a tutor to improve fluency, vocabulary and comprehension. This AD ED program is intended for emergent readers.

English Language Learners (ELL)

AD ED ELL classes provide opportunities for adults to learn or improve English communication skills for life, family and work in our community.

Trainings

AD ED trainings are comprised of three core areas: technical skills, employability skills, and academic skills and remediation.

These trainings yield certifications in high-demand occupations.

Get Certified!

Additionally, AD ED provides access to funding opportunities and scholarships.

These opportunities include:

- **Classroom Trainings:**
- Entry Welding (GMAW)
- Logistics (CLA)
- ParaProfessional

Certifications may differ as workforce demands change.

Online Trainings:

Online classes are offered by AD ED to allow students to study on their own schedule:

- QuickBooks™
- Logistics (CLA)
- Medical Administrative Assistant (CMAA)
- and more!
