About Us

C.A.R.E. University, established in 2016, was created to help college students and their parents offset the cost of day to day living while students are away at college. Leaving home and trying to maintain good grades to earn a degree in your chosen field is stressful enough; worrying about basic living necessities can put the stress over the top. C.A.R.E. University was formed to collect and distribute donations of personal hygiene products, snacks, and school supplies to help students while they are away at college.

Do I Qualify?

The criteria to be enrolled as a C.A.R.E. student recipient are simple:

- The student must have graduated from an Elkhart County High School and be leaving home to live on campus or in an apartment to attend college.
- Maintain full-time student status.
- Maintain a 2.0 GPA.

Become a Student Advocate!

We are looking for community members to become Student Advocates. We are asking for people who are willing to build a relationship with the C.A.R.E. students. Student Advocates will offer encouragement and support while bonding with the student and build life long relationships with our students.
