Our services:

- Therapy (individual, family, group)
- Addiction treatment
- Case management
- Skills training
- Prescriber services
- Medication assisted treatment
- Services for youth and adults

What to expect during your visit:

- Our Access Center staff will ask a few questions to make sure Oaklawn is the right fit for you.
- You'll complete new client paperwork and questionnaires to gauge your mental health/substance use status.
- You'll meet with a therapist for an initial assessment. We'll ask lots of questions to get a handle on your unique situation and come up with a plan for treatment. This could include individual, family or group therapy, care facilitation or skills training, psychiatric services or a combination.
- The therapist you meet with may be able to schedule your next appointment before you leave. If not, we'll follow up within seven days.
- For most clients, this process takes between 1.5-2 hours.

What to bring with you:

- Insurance card
- Valid photo ID (driver's license, state ID, etc.)
- Social Security number of the person beginning services

**If client is under 18, their legal guardian must accompany them to the clinic.*

Cost of services:

Our Access Center staff can help determine your benefits. If you do not have insurance, you may qualify for our sliding scale fee, which is based on income. In that case, please bring proof of income, such as a pay stub, with you.
